9. REPORT

On 26 June 2005 at approx. 1245, Detainee (b)(2),(b)(6) sat on the ground in (b)(2) Block yard area while being escorted and refused to enter his newly assigned cell (b)(2). The (b)(2) Team, (b)(2) and SOG2 instructed the detainee to stand and enter his assigned cell, which he refused. During the altercation, (b)(2) spit on SOG2 (on uniform only) five times when SOG2 instructed the (b)(2) Team to lift the detainee with the minimum force necessary and place him in his cell. Once (b)(2) was raised, he wrapped his legs around one of the escort personnel, at which time he was placed back on the ground. SOG2 further instructed (b)(2) to enter his cell and after about 5 minutes he complied; however, would not let the (b)(2) Team remove the shackles after being placed in the cell. The shackles were eventually recovered by PL2.

About 2220, 25 JUN 05, Detainee ISN# (b)(2),(b)(6) located in cell (b) refused to talk to the Block NCO about 3 problems and requested the PL. The detainee had threatened to throw feces onto the Block Guards if the PL did not come to the block. About 2230, the PL and the Interpreter arrived on the block to speak to the detainee. The detainee told the PL the meal he received had been heated up, but he refused the meal. The detainee, then complained the toilet was not working, however, the PL had the detainee flush the toilet, and the toilet worked properly, even though the detainee attempted to flood the toilet. After the toilet flushed, the detainee became agitated and told the Interpreter to go away. As the PL was turning back to face the detainee after looking at the Interpreter, the detainee spit into the face of the PL. The detainee then grabbed an apple that was on the interior cell ledge, stepped back, and threw it at the metal grating, forcing small pieces to strike the PL in the chest and side of his head. As the PL and Interpreter were walking away from the cell, the detainee grabbed his cup of tea and threw it onto the PL and the Interpreter.

At the above time and date, while performing my duties as Block NCO, I had feces and urine thrown on me by ISNA (b)(2),(b)(6) from cells (b)(2). The Arabic interpreter was on the block translating what the detainees were saying. After going to (b)(2) and (b)(2) with no incident, we proceeded to (b)(2). We told (b)(2) (as we had (b)(2) and (b)(2) that we needed his food tray before we could continue with the conversation. After giving his tray back, the conversation went along and the interpreter told us what he was saying. During the middle of the conversation (b)(2) suddenly threw one cup of feces and urine at myself, (b)(2) and (b)(2). All were hit by feces and urine. Afterward we turned off all water to (b)(2) upper and lower due to detainees flooding the tier. It was also noted that other detainees had been saving up feces and urine to throw at a later time. ///END OF STATEMENT/// (b)(3):10 USC §130b,(b)(6),(b)(7)(C)
